Dear Secretary of State

**A&E Local - Telford's Princess Royal**

I writing to ask for a meeting to discuss your proposals for an A&E Local at the Princess Royal Hospital.

I am aware that you have been developing this proposal over a period of time and that you have now made an announcement giving this plan the go ahead.

The A&E Local proposal is a step forward, but naturally we all want to know more about what services will be available to residents under this proposal.

I should be grateful if your department could arrange a meeting with you to discuss the details of this proposal, so I am able to offer reassurance to my constituents who are naturally alarmed by what they are reading in our local press.

Yours sincerely
